PURPOSE OF THIS GUIDE

Local Measures are published in the Voter Information Guide with an Impartial Analysis. Arguments In Favor and Against those Measures, rebuttals, as well as the full text may also be published.

This booklet is intended to be a guide to political entities, interested organizations and individuals on how to participate in this process.

WHAT IS PUBLISHED IN THE VOTER INFORMATION GUIDE

The following components comprise the information provided to voters in the Voter Information Guide:

Measure Wording
The Measure Wording is a 75-word ballot question that appears on the Official Ballot and in the Voter Information Guide.

Election Code 9051

Impartial Analysis
The County Counsel prepares an Impartial Analysis of a county or school measure showing the effect of the measure on the existing law and the operation of the measure. The City Attorney prepares an Impartial Analysis of a city measure.

The Impartial Analysis may be up to 500 words.

Election Code 9160, 9280, 9313, 9314, 9500

Tax Rate Statement (if applicable)
A Tax Rate Statement is supplied for each bond measure which creates a lien on a property within the jurisdiction. The Tax Rate Statement is prepared by the jurisdiction proposing the measure.

The Tax Rate Statement follows the Impartial Analysis in the Voter Information Guide. There is no word limit for Tax Rate Statements.

Election Code 9401, 9402

Fiscal Analysis (if applicable)
The County Auditor-Controller may be requested to prepare a Fiscal Analysis by the Board of Supervisors or City Council.

The Fiscal Analysis Statement may be up to 500 words.

Election Code 9160

Arguments In Favor or Against a Measure
Arguments In Favor or Against a Measure are filed with the Elections Division. For all city measures, arguments are filed in the appropriate City Clerk’s office. The Registrar establishes the deadlines for the arguments for all elections in which multiple jurisdictions participate. Cities establish deadlines only when the election is not consolidated or combined with other entities.

Each Argument may be up to 300 words.

Election Code 9162, 9315
Rebuttal Argument
A Rebuttal Argument is a statement which refutes an Argument In Favor or Argument Against a Measure.

Each Rebuttal Argument may be up to 250 words.

Full Text (optional)
The full text of the measure being voted upon may be published, at the discretion of the governing body, to provide voters information in addition to the 75-word measure which appears on the Official Ballot. The full text is usually a resolution or ordinance that offers additional information regarding the measure.

The full text, when included, appears last in the Voter Information Guide.

There is no word limit for the full text.

ORDER OF APPEARANCE
Arguments, Rebuttal Arguments and analyses are printed in the Voter Information Guide and mailed to all registered voters in the jurisdiction who are eligible to vote for the particular measure.

The information appears in the following order:

1. Measure Wording
2. Impartial Analysis
3. Fiscal Analysis or Tax Rate Statement (if applicable)
4. Argument In Favor
5. Argument Against
6. Rebuttal to Argument In Favor
7. Rebuttal to Argument Against
8. Full Text (optional)
Each measure is assigned a letter for identification purposes.

**Timeline for Assigning Measure Letters**
The Registrar of Voters assigns measure letters the Thursday (E-82) following the deadline to submit a measure (E-88).

**Assignment of Letters**
- Letters are assigned based upon a random draw.
- No letters are excluded from the random draw.
- If, during the election, all letters have been used, lettering will continue with “AA”, “BB”, etc.
- Unused letters will not carry over to the next election. Each election will begin with a new randomized alphabet drawing.

**When a Jurisdiction Covers Two or More Counties**
When a jurisdiction covers two or more counties, the Registrar of Voters in each county may mutually agree to use the same letter for the measure.

**Withdrawal of a Measure**
A legislative body may amend or withdraw its measure by filing a resolution stating the specifics concerning the amendment or withdrawal not later than 83 days before an election. An initiative or referendum measure may be withdrawn by filing a “Notice of Withdrawal” signed by all proponents. If a measure is withdrawn after the letters have been assigned, the letter which was assigned to that measure will not be used by other measures in that election.

*Election Code 9604, 9605*
WHO CAN SUBMIT AN ARGUMENT

The governing board (Board of Supervisors, School Board or Special District Board), any individual voter who is eligible to vote on the measure, a bona fide association of citizens, or any combination of these voters and associations may file a written Argument In Favor or Argument Against any county, school, or district measure placed on the ballot by the governing body or by initiative.

_Election Code 9120, 9162, 9282, 9501_

What is a Bona Fide Association of Citizens?

A bona fide association of citizens is a recognized group of citizens bound together by a common interest or cause such as:

- A group or organization primarily formed as a ballot measure committee to support or oppose a measure.
- An organization that meets on a regular basis.

The individuals signing an argument on behalf of a bona fide association do not have to be registered voters in the jurisdiction.

If More Than One Argument In Favor or Argument Against Is Filed

Only one Argument In Favor and one Argument Against any measure will be printed in the Voter Information Guide. If more than one Argument In Favor or more than one Argument Against any measure is filed, a single argument will be selected by the Registrar of Voters.

In selecting a single argument, the Registrar gives preference and priority to arguments submitted by:

1. Members of the governing board
2. The bona fide sponsors or proponents of the measure
3. Bona fide associations of citizens
4. Individual voters who are eligible to vote on the measure

If two or more parties representing the same type of body/association submit competing arguments in favor or against the same measure, the Registrar will make a subjective assessment of the arguments. The assessment may include consideration of grammar, spelling, coherence, tone and the comprehensiveness of the argument.

Parties are encouraged to collaborate when multiple arguments are submitted.

_Registration Code 9166, 9503_

Rebuttal Arguments

Arguments In Favor and Against the Measure are sent immediately after the submission deadline to those arguing the opposite position for the purpose of preparing a rebuttal statement.

Rebuttal Arguments must be signed by the same authors of the original arguments unless the original signers of the arguments authorize, in writing, others to sign the Rebuttal Arguments. A “Release for Rebuttal Argument” should be filed with the Rebuttal Arguments.

Rebuttal Arguments have a 250 word limit.

_Registration Code 9069, 9167, 9285, 9317, 9504_
